Association**

# **36<sup>TH</sup> ANNUAL CONFERENCE BOA FOCUS - 2026**

**at The Westin, Powai Lake, Mumbai  
21st to 23rd August, 2026**

**SCIENTIFIC PROGRAM**

# 36<sup>TH</sup> Annual Conference

## BOA FOCUS 2026

### Greetings from BOA - Bombay Ophthalmologists' Association

We extend our deepest gratitude for your support and active participation extended to us in all our academic activities in the past.

It gives us immense pleasure to invite you to join us for the Annual Conference - BOA FOCUS 2026, to be held on 21st, 22nd and 23rd August, 2026 at The Westin, Powai Lake (Mumbai).

We are expecting over 2700 delegates and faculty from all over the country who will be coming together to discuss, deliberate and share their academic insights.

It will also be an excellent opportunity for trade to exhibit and showcase their products and latest technology.

We seek your blessings to make this academic feast a grand success.

Dr. T. P. Lahane  
(Awarded Padmashree 2008)  
Chief Advisor

Dr. Omkar Telang  
President

Dr. Ragini Parekh  
Chairman  
Scientific Committee

Dr. Mayav Movdawalla  
Secretary

Dr. Nikhil Nasta  
Treasurer

# 36<sup>TH</sup> Annual Conference

The banner features a purple and gold color scheme. At the top, it reads "36th ANNUAL CONFERENCE" above "BOA FOCUS 2026". Below this, the tagline "INNOVATE • INTEGRATE • INSPIRE" is displayed. The central theme is "WOMEN ACHIEVER'S AWARDS", accompanied by a stylized logo of a woman's profile. A quote box states: "HONORING VISION. CELEBRATING IMPACT. EMPOWERING WOMEN. TRANSFORMING LIVES." On the right, a portrait of Dr. Namrata Sharma is shown against a glowing circular background. A banner below her name identifies her as the "RECIPIENT OF THE PRESTIGIOUS DUKE ELDER MEDAL". The background also includes a silhouette of a city skyline.

## BOA FOCUS 2026

| No  | Topic                                                                                                                                             | Presenting Author        |
|-----|---------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------|
| 8.  | FP1 - Vitreoretinal surgical outcomes in Ocular Toxoplasma Retinochoroiditis: A Multicentre Indian cohort retrospective analysis                  | Dr. Jadhav Vishal Sanjay |
| 9.  | FP25 - The Three Faces of Uveitis: Infection, Inflammation and Imitation - A Diagnostic Masquerade Series                                         | Dr. Vrinda Dalwani       |
| 10. | FP17 - Managing Acute Conjunctivitis: Insights from Indian Ophthalmologists                                                                       | Dr. Sakshi Sood          |
| 11. | FP20 - The Significance of Artificial Intelligence in Ophthalmology for clinical practice, academic & research purposes & surgical procedures     | Dr. Hema Mer             |
| 12. | FP21 - Perfect Vision Not Enough: Hidden Binocular Vision Disorders Impairing Microsurgical Performance in Ophthalmology Trainees - 2 Case Series | Dr. Agarwal Anamika H.   |

# 36<sup>TH</sup> Annual Conference

## BOA FOCUS 2026

### E-POSTERS - 7

Judges: Dr. Manjiri Malekar Oak, Dr. Anuja Gharat,  
Dr. Sumita Karandikar

**Hall H**  
**12.00 PM - 1.30 PM**

**Each E-Poster presentation will be 4 minutes + 1 minute discussion**

| <b>No</b> | <b>Topic</b>                                                                                                                      | <b>Presenting Author</b> |
|-----------|-----------------------------------------------------------------------------------------------------------------------------------|--------------------------|
| 1.        | FP39 - Occult Anterior Chamber Foreign Body with Apparently Clear Cornea: A Rare Clinical Presentation                            | Dr. Tidke Sonali S.      |
| 2.        | EP33 - Guess me if You can                                                                                                        | Dr. Anubhav Verma        |
| 3.        | EP38 - Ocular Clues to Sturge - Weber Syndrome: A Case Report                                                                     | Dr. Siddhi Govind Kale   |
| 4.        | EP42 - The Unseen Revealed: B-Scan in Four Challenging Ophthalmic Cases                                                           | Dr. Purva Date           |
| 5.        | EP44 - Posterior Scleritis Presenting as Ocular Hypertension with Supraciliary Effusion in a Young Female: A Diagnostic Challenge | Dr. Rishav Biswas        |
| 6.        | EP45 - Bilateral optic disc coloboma an incidental finding during routine refractive evaluation in a young male                   | Dr. Rhea Muthiyan        |
| 7.        | EP47 - The Great Masquerader: Syphilitic Panuveitis in Advanced HIV                                                               | Dr. Satish D. Kute       |

# 36<sup>TH</sup> Annual Conference

## BOA FOCUS 2026

| No  | Topic                                                                                                                            | Presenting Author      |
|-----|----------------------------------------------------------------------------------------------------------------------------------|------------------------|
| 8.  | EP77 - Silent Bloodstream, Blinding consequences: Endogenous Endophthalmitis in an Alcoholic with uncontrolled Diabetes mellitus | Dr. Ganesh D. Shingne  |
| 9.  | EP99 - A case of active thyroid eye disease in a young female: Medical management And outcome background                         | Dr. Neha Solanke       |
| 10. | EP101 - Marfan Syndrome with complicated microspherophakia in family                                                             | Dr. Riddhi Shah        |
| 11. | FP51 - Ocular Manifestations and Multidisciplinary Management of Goldenhar Syndrome: A Case Report from a Tertiary Care Center   | Dr. Pooja Janak Shah   |
| 12. | EP55 - Seeing through the Lack of Pigment: Ocular Albinism in neonate with hypotonic limbs and low set ears                      | Dr. Akshay Wankhade    |
| 13. | EP115 - When the Past Reveals Itself: Surgical surprise in Restrictive Strabismus Following Childhood Alkali Injury.             | Dr. Abhilasha Bedmutha |

**LUNCH - 1.30 PM TO 2.30 PM**

# 36<sup>TH</sup> Annual Conference

## BOA FOCUS 2026

### CATARACT - 1

Chairman: Dr. Suhas Haldipurkar

Hall A

Co-Chairmen: Dr. Nitin Balakrishnan, Dr. Nilesh Pandya **2.30 PM - 4.00 PM**

Convener: Dr. Avinash Ingole

Moderator: Dr. Vani Parekh

| No  | Topic                                                                      | Speaker                  | Min |
|-----|----------------------------------------------------------------------------|--------------------------|-----|
| 1.  | Geometric paired approach -<br>A customised option for patients            | Dr. Nitin Balakrishnan   | 7   |
| 2.  | Anterior capsular management in<br>Phacoemulsification                     | Dr. Navneet Toshniwal    | 7   |
| 3.  | Cataract surgery in eyes with ICL                                          | Dr. Shail Vasavada       | 7   |
| 4.  | Worst case scenarios                                                       | Dr. Amar Agarwal         | 7   |
| 5.  | Torn rhexis - How do I deal with it                                        | Dr. Krishna Prasad Kudlu | 7   |
| 6.  | Paradise lost and regained                                                 | Dr. Suhas Haldipurkar    | 7   |
| 7.  | Femtosecond in complex cataract<br>surgeries                               | Dr. Himanshu Mehta       | 7   |
| 8.  | Ultra soft cataract - Game plan                                            | Dr. Rohit Om Parkash     | 7   |
| 9.  | Phacoemulsification in uveitic<br>cataracts - Challenges, Pearls, Pitfalls | Dr. Anagha Heroor        | 7   |
| 10. | Learning 4 throw pupilloplasty                                             | Dr. Cyres Mehta          | 7   |
| 11. | Use of capsulaser in white mature<br>intumescent cataracts                 | Dr. Jai Kelkar           | 7   |
| 12. | Biometry in special situations -<br>Current concepts                       | Dr. C. Wavikar           | 7   |

# 36<sup>TH</sup> Annual Conference

## BOA FOCUS 2026

### GLAUCOMA - 1

#### DECODING DIAGNOSTIC DILEMMAS: PANEL BASED DISCUSSION

Chairman: Dr. Deven Tuli

Hall B

Co-Chairman: Dr. Tejaswini Walimbe

2.30 PM - 4.00 PM

Convenor: Dr. Manjiri Oak

Moderator: Dr. Sunil Jain

**4 minutes Presentation and 10 minutes Discussion**

| No | Topic                                                 | Speaker               | Min |
|----|-------------------------------------------------------|-----------------------|-----|
| 1. | Angle Closure: A Diagnostic Challenge                 | Dr. Karishma Bhate    | 8   |
| 2. | Diagnostic Challenges in Hypotony                     | Dr. Devang Shah       | 8   |
| 3. | Lost in the cup: A Diagnostic mystery                 | Dr. Sonika Porwal     | 8   |
| 4. | The sign hiding in plain sight                        | Dr. Sneha Kankaria    | 8   |
| 5. | Perimetric Puzzle: Interpreting unusual visual fields | Dr. Kartik Pannikar   | 8   |
| 6. | The Nerve knows before the field shows                | Dr. Radhika Sangitrao | 8   |

#### Panelists:

Dr. Tanuj Dada, Dr. Sushma Tejawani, Dr. Deven Tuli,

Dr. Meena Thotakura, Dr. Devendra Maheshwari

# 36<sup>TH</sup> Annual Conference

## BOA FOCUS 2026

# 36<sup>TH</sup> Annual Conference

## BOA FOCUS 2026

### VIDEO (FINALS)

Hall E

8.30 AM - 10.00 AM

Judges: Dr. Rumi Jehangir, Dr. Prafulla Kumar Maharana,  
Dr. Saroj Sahdev

Two winners from each of the video films sessions (1–4)  
will qualify for the final round and present their videos.

Two videos will be selected as winners.

Both the winners will receive a Certificate of Achievement.

The best video will also receive a surprise prize!

# 36<sup>TH</sup> Annual Conference

## BOA FOCUS 2026

### OCULOPLASTY - 2

#### PTOSIS EYE OPENER

Chairman: Dr. Mukesh Sharma

Co-Chairman: Dr. Rahul Deshpande

Convenor: Dr. Girish Nehete

Moderator: Dr. Sumer Doctor

**Hall F**

**8.30 AM - 10.00 AM**

| No | Topic                                  | Speaker             | Min |

## **BOA FOCUS 2026**

### **E-POSTER (FINALS)**

**Hall G**

**8.30 AM - 10.00 AM**

Judges: Dr. Santosh Agarwal, Dr. S. S. Bhatti,  
Dr. Shanta Motwane

One winner from each of the E-Poster sessions (1–10)  
will qualify for the final round and present their poster.

Two posters will be selected as winners.

Both the winners will receive a Certificate of Achievement.

The best poster will also receive a surprise prize!

# 36<sup>TH</sup> Annual Conference BOA FOCUS 2026

## FREE PAPERS (FINALS)

Hall H  
8.30 AM - 10.00 AM

### Best Paper: Prof. Dr. T. P. Lahane Award (Only for Students)

Judges: Dr. Ranjit Maniar, Dr. Quresh Maskati ,  
Dr. Sunaina Malik, Dr. Karobi Lahiri

#### Note:

The top 2 winners from each of the four preliminary sessions of the Dr. T. P. Lahane Award will qualify for the final round. The Dr. T. P. Lahane Free Paper Session was instituted by Dr. Karobi Lahiri to encourage and inspire students to present their work. Three winners will be selected in the final round. All 3 winners will receive a Certificate of Achievement and a cash prize.

#### For Saturday and Sunday

The early bird delegates in each Hall A, B, C will get a token (First 50 delegates) and Hall D, E, F, G, H will get a token (First 20 delegates). At the end of the first session in each Hall there will be Lucky draw. Two delegates from each Hall will get Free Registration for the next BOA Annual Conference 2027.

\* Please return the tokens while leaving the Hall.

## BOA FOCUS 2026

### PANEL DISCUSSION

#### WHAT WILL YOU DO ?

Hall A

Chairmen: Dr. T. P. Lahane, Dr. Ragini Parekh

**2.30 PM - 4.00 PM**

This session includes the common situations faced by an ophthalmologist in day to day practice. There are still common diseases in ophthalmology, the treatment of which varies amongst every ophthalmologist. We will discuss these disease scenarios with experts of the subjects and try to provide a clear perspective.

#### EXPERTS

Dr. Amar Agarwal

Dr. D. Ramamurthy

Dr. Hemalini Samant

Dr. Lalit Verma

Dr. Mahipal Sachdev

Dr. Manish Sharma

Dr. Prateep Vyas

Dr. Preetam Samant

Dr. Radhika Tandon

Dr. Santosh Honavar

Dr. Subhash Dadeya

#### SPEAKERS

Dr. Navneet Toshniwal

Dr. Shruti Warke

Dr. Mayav Movdawalla

Dr. Sumeet Lahane

Dr. Ashish Jain

Dr. Shital Lahane

Dr. Vaidehi Bhatt

Cataract

Refractive

Glaucoma

Cornea

Retina

Neuro-ophthalmology

Squint

# 36<sup>TH</sup> Annual Conference

## BOA FOCUS 2026

### PRACTICE MANAGEMENT - 2

Chairman: Dr. Prakash Marathe

Co-Chairmen: Dr. Shyam Telang, Dr. Manoj Mathur

Convener: Dr. Umesh Revanwar

Moderators: Dr. Viral Shah, Dr. Jinish Upadhyaya

**Hall B**

**2.30 PM - 4.00 PM**

| No  | Topic                                                                          | Speaker                   | Min |
|-----|--------------------------------------------------------------------------------|---------------------------|-----|
| 1.  | Future of screening programs with AI impacting ophthalmology practice in India | Dr. Kuldeep Dole          | 8   |
| 2.  | Preventing psychological burnout - Midlife crisis management                   | Dr. Madhav Ambekar        | 8   |
| 3.  | AIOS initiatives for common practitioners                                      | Dr. Manoj Mathur          | 8   |
| 4.  | Efficient financial planning and management of ophthalmology practice          | Dr. Sreeni Edakhlon       | 8   |
| 5.  | Branding practice - Why and how ?                                              | Dr. Satanshu Mathur       | 8   |
| 6.  | Consumer Protection Act 2019 - Key implications                                | Dr. Viral Shah            | 8   |
| 7.  | Surgical Odyssey- A journey through surgical challenges and family team work   | Dr. Subhra Kinkor Goswami | 8   |
| 8.  | Practice Patterns - The futuristic way                                         | Dr. Gopal Arora           | 8   |
| 9.  | Global diagnostic centre - A role model for joint practice management          | Dr. Hanumant Bhosale      | 8   |
| 10. | Essential legal literacy in ophthalmic practice                                | Dr. Prakash Marathe       | 8   |
| 11. | Demand generation and capacity building in running a tertiary eye care         | Dr. Rahul Deshpande       | 8   |

# 36<sup>TH</sup> Annual Conference BOA FOCUS 2026

## OPHTHALMIC PREMIER LEAGUE (OPL)

Hall A, B, C  
12.00 PM - 1.30 PM

### Hosts

**Dr. Amar Agarwal**

**Dr. T. P. Lahane**

The Ophthalmic Premier League (OPL) symposium is akin to the Indian Premier League games but with a difference, as the OPL is connected to ophthalmology. The idea here is to have 4 teams with 4 captains. Each team will sport their team jersey and will have a total of 4 members, with each getting 4 minutes to show their most challenging cases through videos. Each team will be given a total of 18 minutes. There will be a good discussion on each case for the remaining time. The winning team will be awarded the BOA-OPL trophy.

The awards will be given by the judges and from audience votes. There will be a winner and a runner up from each side.

The categories will be

**1. Best Entertainer**

**2. Best Video**

**3. Best Team**

### Judges

Dr. S. S. Karandikar

Dr. Subhash Dadeya

Dr. V. D. Wangikar

Dr. D. Ramamurthy

Dr. Prafulla Mokadam

Dr. Ragini Parekh

Dr. Karobi Lahiri

Dr. Jagdish Rana

# 36<sup>TH</sup> Annual Conference
